Limited Lifetime Warranty

Rose Micro Loupes carry a limited lifetime warranty against any manufacturing defects, beginning on the date of purchase (invoice date) from Rose Micro Solutions. This product warranty applies only within the United States of America, Canada, or sale to authorized Dealers or Distributors. Rose Micro will, at its option, repair or replace any product or parts covered by this warranty. The purchaser shall be responsible for shipping and insurance costs to Rose Micro, Buffalo, NY, USA. This warranty is nontransferable and applies to only the original purchaser of this product as determined by Rose Micro sales records. All returns must be authorized. Contact Rose Micro Solutions customer service department and receive a return authorization number. Repackage the product in the original box with all accessories and papers.

Loupe accessories carry a one year warranty against manufacturing defects.

Due to a policy of continued improvement, we reserve the right to change product/specifications without notice.

Loupe Accessories

Rose LED Light

The "Rose Light" is a nice alternative to high priced LED lights. It is light weight and can be adapted to fit any loupe. Solid state LED lamp never needs replacement.

Rose light includes your light, two (2) rechargeable battery packs, eight (8) AA rechargeable batteries, a wall charger, yellow flip filter and padded carry case.

Headlight

Illuminosity: 30000 lx (3000 fc)
 Weight: 14.5g (0.51 oz.)
 Led lifetime: 50,000 hrs

LED Power Pack

The "Power Pack" is a high power LED Light designed for the professional. It is extremely light weight and can be adapted to fit any loupe. The power pack kit includes your light, two (2) rechargeable battery packs with rheostat control and a lighted battery charge indicator, a wall charger, optional yellow filter and a padded carry case.
